PAINESVILLE PRECINCT RESIDENT

Dear Brian,

Our records indicate that in the 2018 midterm election you were registered as a REPUBLICAN in Ohio residing at 8196 Rainbow Drive.

PLEASE CONFIRM if our records are correct by marking and returning the attached Republican Affiliation Confirmation Card in the next ten days.

Your response is needed because the Democrats' campaign to remove President Trump from the White House in the upcoming 2020 Presidential Election – and destroy our entire Republican effort to continue Making America Great Again – is already fully underway. They are raising unprecedented sums of money, recruiting, coaching, and grooming candidates, and establishing Voter ID and registration drives in every state.

If we wait to respond to that effort, the Democrats, their Leftist allies in the media and Hollywood, and Leftist Billionaires could gain such a head start they would be unstoppable. And the 2020 Presidential Election would mark the end – and reversal – of all we have accomplished and want to accomplish to bring back the strength, hope, prosperity, and security that is the American dream.

That is why your immediate response is so important, Brian. History shows that early planning is absolutely critical to election day success. And the first step in our plan to direct and marshal the resources needed to win a sweeping Republican victory in 2020 is ensuring the accuracy of post-election voter records immediately. Now is the time to do that. So please mark your card and return it TODAY.

As a freedom-loving individual committed to Republican principles of protecting our borders, continuing our robust economic growth, truly improving health care for every American, limiting government, lowering taxes, and restoring the respect, pride, and strength of America around the world, you are the foundation of our Party.

So please tear off and return the attached Republican Affiliation Confirmation Card today. And include your 2019 Republican support contribution of \$35, \$50, \$100, or whatever amount you can.

This will be a long, hard fight. To win it, we need to know, early on, who is with us...and who is not. Individual participation and support from loyal Republicans like you are the backbone of this foundational effort. Please let us know if you still stand with President Trump and the Republican agenda to Make America Great Again.

Please tear off and return the attached Republican Affiliation Confirmation Card today. And please include your 2019 Republican support contribution of \$35, \$50, or \$100. Thank you!

Ronna McDaniel
Chairwoman, Republican National Committee
